“Everyone has the right to have access to social security, including, if they are unable to support themselves and their dependents, appropriate social assistance. The state must take reasonable legislative and other measures, within its available resources, to achieve the progressive realization of each of these rights.”

- **Section 27 of the South African Constitution**

“Everyone has the right to administrative action that is lawful, reasonable and procedurally fair... And everyone whose rights have been adversely affected by administrative action has the right to be given written reasons.”

- **Section 33 of the South African Constitution**
